Partnership Against Domestic Violence (PADV) invites you join our 5th Annual Women In Action Forum. This year we will shed light on the organization from within. Guest speakers will highlight all the ways in which PADV impacts survivors of domestic violence and the community through our programs and services. Join us as we work to put an end to intimate partner violence.

This event will include a marketplace full of vendors, a breakfast buffet and guest speakers knowledgeable about various facets of intimate partner violence. Proceeds will fund the general operating budget of PADV’s Gwinnett Shelter, which is the largest domestic violence safe house in Georgia.

TICKETS AND SPONSORSHIPS ARE ON SALE AT WWW.PADV.ORG.
