

# EXECUTIVES IN ACTION

## SPONSOR LEVELS & BENEFITS

The term domestic violence infers a behavior that happens at home, however its impact has a profound effect on the workplace. With 1 in 4 women and 1 in 7 men experiencing domestic violence in their lifetime, it is essential for companies that view their employees as their most valuable asset to acknowledge that no workplace is immune. Productivity loss, on the job accidents, increases in absenteeism and tardiness, higher healthcare costs as well as heightened security risks impact the employee, their colleagues and your bottom line.

Join Partnership Against Domestic Violence for a breakfast conversation on October 25<sup>th</sup>, 2019 at Capital City Club to learn how to ensure the safest possible workplace for your workforce.

Whether as a company, a couple or an individual, take a visible stance against abuse by sponsoring Partnership Against Domestic Violence’s 3rd Annual Executives In Action. The various sponsorship levels and benefits we offer are below.
