Partnership Against Domestic Violence will adhere to the CDC guidelines for hosting a gathering during COVID-19. Compliance measures will include:

- Notifying attendees ahead of the event to bring and use masks at the event.
- Having masks on-hand to provide to staff and attendees who do not bring their own.
- Requiring staff and attendees to wash their hands frequently with soap and water for at least 20 seconds and increase monitoring to ensure adherence.
- In locations where soap and water are not readily available, PADV will provide staff and attendees hand sanitizer that contains at least 60% alcohol.
- PADV will ask guests to avoid singing or shouting and will keep music levels down so people don't have to shout or speak loudly to be heard.
- PADV will ensure that there are adequate supplies to support healthy hygiene including soap, water, hand sanitizer containing at least 60% alcohol, a way to dry hands, tissues, disinfectant wipes, masks, and no-touch trash cans.
- Posting signs in highly visible locations that promote everyday protective measures and describe how to stop the spread of germs by properly wearing a mask, physical distancing, and washing hands.
